

Orientation Program Report - Amrit Internship Program

Date: 5th February

Venue: IPL Sugar Unit - Dhenkanal

An orientation program was organized under the Amrit Internship Program to familiarize the selected youth with the objectives, training methodologies, and expectations of the internship. The purpose of this event was to equip the interns with necessary information and guidance to effectively participate in the agricultural training and community engagement activities.

Program Activities:

Inaugural Speech (via Video Conference):

Dr. Rajeev Ranjan, Senior Advisor of IPL Foundation and Retired IAS officer, addressed the interns through a video conference, marking the beginning of the Orientation Program. In his address, he conveyed a strong message of encouragement and motivation to the youth, emphasizing the critical role they play in shaping the future of agriculture in India.

Dr. Rajeev Ranjan

Introduction to the Program:

Mr. Durga Prasad Dwivedi highlighted the objectives and the expected outcomes of the internship, urging interns to actively participate and make the most of the learning opportunities.

Mr. Durga Prasad Dwivedi

Technical Guidance:

Mr. Subrat Padhi and Dr. Jyotirekha Patnaik provided insights into the advanced farming techniques that would be part of the training curriculum.

Dr. Jyotirekha Patnaik

Motivational Talks:

Mr. Vimilendu Mohanty and Mrs. Nandini Roy shared their experiences and encouraged the interns to develop a proactive approach towards community engagement and sustainable agriculture.

Mr. Vimilendu Mohanty

Speech by Mrs. Nandini Roy:

Mrs. Roy, Mentor of IPL Foundation, delivered a motivational speech emphasizing the importance of leadership and dedication in rural development. She encouraged the interns to build meaningful connections with the farming community and embrace innovation while respecting traditional practices.

Mrs. Nandini Roy

Distribution of Training Kits:

The interns were provided with initial kits and training materials to support their learning throughout the internship duration. A total of 55 interns were present at the orientation, each eager to embark on their journey towards community empowerment and agricultural innovation.

Distribution of Kit

Key Highlights

- Understanding of the program structure and training expectations.
- Motivation to engage actively with farmers and community members.
- Exposure to modern agricultural practices and sustainability principles.
- Building a sense of responsibility towards rural development and farmer support.

Memento distribution among dignitaries

The orientation program concluded with positive feedback from both the dignitaries and interns. The session laid a strong foundation for the upcoming training phase, ensuring that participants were well-prepared and motivated to embark on their journey towards agricultural empowerment and community development.
