Message:

DR. RAJEEV RANJAN, IAS (Retd)

Senior Advisor, IPL Foundation

It gives me immense pleasure to present the July 2026 edition of the IPL Foundation Newsletter, a special issue that marks a significant milestone in our journey—**two successful years** of continuously documenting, presenting, and sharing the impactful work of IPL Foundation and Indian Potash Limited across the country.

Over the past two years, this newsletter has evolved into a vibrant platform that captures the collective efforts, achievements, and inspiring stories emerging from our field initiatives. It has enabled us to connect with stakeholders, showcase grassroots transformations, and highlight the dedication of our employees, interns, partners, & communities.

As we celebrate this occasion, we extend our heartfelt gratitude to all our readers, contributors, IPL Units, educational institutions, interns, and well-wishers whose unwavering support, encouragement, and motivation have made this journey meaningful and successful.

The past two months have been marked by continued progress and engagement across our key focus areas of agriculture, youth development, education, healthcare, and community empowerment. Several Farmers' Meets, field outreach programmes, AMRIT Internship Orientation Programme, Baisakhi celebrations at USN, multiple Closing Ceremony of Amrit Internship Programme etc have been organised. **Through these collective efforts, we have engaged cumulatively with more than 2,800 AMRIT and AGRANI interns and reached over 2,70,000 farmers across states such as Uttar Pradesh, Tamil Nadu, Madhya Pradesh, Odisha, West Bengal, Haryana, Gujarat, Jharkhand, Karnataka and Rajasthan.** These initiatives not only provide valuable experiential learning opportunities to the interns but also foster leadership, social responsibility, and active community participation.

These accomplishments are a reflection of the vision and leadership of Chairman Shri Pankaj Kumar Bansal, IAS, Managing Director Dr. P. S. Gahlaut, and Managing Director (D) Shri. S. V. Varma. We also express our sincere appreciation to the Heads of IPL Units, the Education Society team, our partner institutions, and all stakeholders for their continued guidance and support.

As we look ahead, we remain committed to expanding our reach, deepening our impact, and fostering stronger partnerships that contribute to nation-building and rural transformation. We also encourage all employees to actively participate in our "Employees' Corner" and share their experiences, ideas, and suggestions that can enrich future editions of this newsletter.

MoU Signing Ceremony between Ganpat University and IPL Foundation at Global CSR & Philanthropy Summit 2026

Ganpat University and IPL Foundation strengthened their long-standing association through the signing of a **Memorandum of Understanding (MoU)** during the Global CSR & Philanthropy Summit 2026, held on 20 June 2026 at the Renaissance Ahmedabad Hotel, Ahmedabad.

The Summit, organized under the theme “Building India's Knowledge Ecosystem through CSR Funding, Skills Integration & Social Innovation,” brought together distinguished leaders from the CSR, industry, banking, philanthropy, academia, NGO, and development sectors to discuss collaborative approaches for sustainable social impact.

Glimpse of the event

The MoU builds upon the successful partnership already established between Ganpat University and IPL Foundation through the AMRIT Internship Programme and Sustainability Conclave, which has been conducted twice in collaboration with the University. Encouraged by the positive outcomes of these initiatives, both organizations have now formalized and expanded their partnership to create greater impact in the areas of sustainable agriculture, rural development, climate resilience, farmer outreach, student internships, capacity building, and knowledge exchange.

The collaboration aims to promote farmer empowerment, climate-resilient agricultural practices, sustainability conclaves, and rural transformation initiatives while providing students with valuable practical learning opportunities.

A major highlight of the Summit was the unveiling of a book featuring contributions from eminent professionals and thought leaders in the CSR and development sectors. **Among the contributors was Dr. Rajeev Ranjan, Senior Advisor, IPL Foundation, who authored a chapter titled “When Policy Meets Programme – The Civil Servant’s View of PSU CSR Governance.”**

The chapter offers valuable insights into the role of Public Sector Undertakings in strengthening CSR governance and driving meaningful social change.

The event served as an important platform for dialogue, collaboration, and partnership-building, reaffirming the shared commitment of Ganpat University and IPL Foundation towards sustainable and inclusive development.

Conclave on Rural Reconstruction and Sustainable Development at Visva Bharati University, West Bengal

A two-day Campus **Conclave on “Paradigms of Rural Reconstruction: Driving Sustainability, Productivity and Green Growth”** was successfully organized on 11-12 June 2026 at **Visva-Bharati, Santiniketan, West Bengal (a Central University)**. The programme was jointly organized by the Department of Lifelong Learning & Extension (REC), Palli Samgathana Vibhaga (PSV), Visva-Bharati, in collaboration with IPL Foundation, New Delhi. The conclave brought together over 300 participants, including academicians, policymakers, development practitioners, students, and rural development professionals, to deliberate on innovative approaches to sustainable rural transformation.

Conclave held at Visva-Bharati University

The inaugural session featured distinguished dignitaries including Dr. Rajeev Ranjan, IAS (Retd.), Senior Advisor, IPL Foundation, who highlighted the importance of sustainable agriculture, scientific farming practices, balanced nutrient management, and rural entrepreneurship in driving inclusive growth. He emphasized the need for collaborative efforts among government institutions, educational organizations, private sector stakeholders, and local communities to achieve long-term rural development.

Glimpse of the events

Key discussions focused on sustainable agriculture, rural livelihood enhancement, green growth, environmental sustainability, community participation, and the role of education and innovation in addressing rural challenges. Speakers stressed the importance of climate-resilient agriculture, entrepreneurship, skill development, eco-friendly technologies, and stronger engagement between academic institutions and rural communities.

The conclave successfully reinforced the shared commitment of Visva-Bharati and IPL Foundation towards promoting sustainable rural reconstruction, empowering communities, and fostering inclusive development for a greener and more prosperous future.

Celebrating Baisakhi with Joy and Learning at Udbhav Shiksha Niketan, Sakhoti Tanda, Meerut

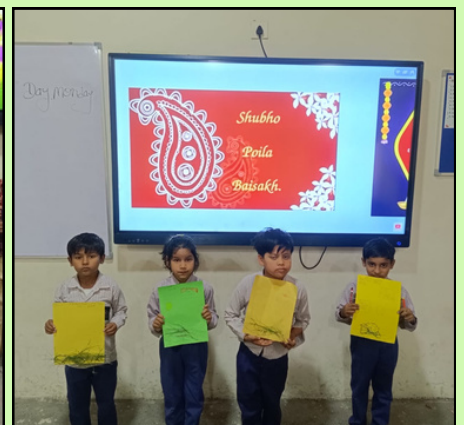

Udbhav Shiksha Niketan, Sakhoti Tanda, Meerut, celebrated the vibrant **festival of Baisakhi** with great enthusiasm and active participation from students and teachers. Baisakhi, a harvest festival that marks the joy of a successful crop season, also holds immense religious significance as the day of the establishment of the Khalsa in Sikhism. The celebration provided an excellent opportunity for children to learn about India's rich cultural heritage in an engaging and enjoyable manner.

Variety of activities were organized to make the celebration both educational and entertaining. Students enthusiastically participated in storytelling sessions, festival-themed craft and drawing activities, dance and music performances, fancy dress presentations, and interactive group games. These activities encouraged creativity, teamwork, and self-expression among the young learners.

For primary school children, festivals serve as an effective medium for activity-based learning. Through such celebrations, students gain an understanding of cultural traditions, values of sharing and cooperation, and the importance of community participation. They also develop essential social and communication skills while building confidence through active involvement in various activities.

Glimpse of the celebrations

The Baisakhi celebration proved to be a joyful and meaningful experience for all participants. It not only created memorable learning moments but also fostered creativity, confidence, and a sense of togetherness among students. Such initiatives play a vital role in the holistic development of children by blending learning with fun and cultural awareness, making education more enriching and impactful.

Building Better Farms, Livelihoods and a Sustainable Future: Ranchi

A **Farmers' Meet** was successfully organized at Katamkuli, Ranchi by Birsa Agricultural University on 20 May 2026 with the objective of interacting with local farmers and discussing key aspects of agricultural development and livelihood enhancement. The programme witnessed active participation from farmers who shared their experiences, challenges, and expectations related to farming and agricultural support services.

During the meeting, discussions were held on the existing cropping and land-use patterns of the region, highlighting the importance of crop diversification and scientific land-use planning for improving productivity, profitability, and soil health. Farmers also discussed irrigation facilities and challenges related to water availability, while resource persons emphasized efficient water management practices and improved irrigation methods for sustainable agriculture.

Snippets of the Farmers Meet

The programme further focused on secondary agriculture and value-addition activities such as processing, grading, packaging, and marketing of agricultural produce. Opportunities in allied sectors including mushroom cultivation, beekeeping, vermicomposting, and agro-processing were also discussed.

Farmers and AMRIT interns interactions

In addition, **awareness was created regarding farm mechanization and Integrated Farming Systems (IFS) to enhance resource-use efficiency and farm income.** The programme concluded with an interactive session where farmers' queries were addressed and practical recommendations were provided for sustainable and profitable farming practices.

Empowering Farmers Through Knowledge: AGRANI Interns Leads Capacity Building Initiative in Bihar

As part of IPL Foundation's **AGRANI (Agriculture Growth for Rural Advancement and Natural Integration) Internship Programme**, a Farmer Awareness and Capacity Building Meeting was successfully organized on 13 June 2026 at **Naroli Village, Mushari Block, Muzaffarpur, Bihar**. Led by AGRANI Interns, the initiative brought together more than 70 farmers with the objective of strengthening their knowledge and preparedness for the upcoming Kharif season.

The programme focused on promoting sustainable and climate-smart agricultural practices through expert-led training sessions. Farmers were sensitized on scientific soil health management, soil sampling techniques, balanced nutrient application, organic farming methods, and compost preparation. Special emphasis was placed on the adoption of improved crop varieties, including the drought-resilient Rajendra Neelam paddy and high-yield maize varieties, enabling farmers to enhance productivity while conserving resources.

Snippets of the Farmers Meet

The sessions also covered efficient water management, intercropping practices, crop nutrition, and modern agricultural technologies. Dedicated support was provided to assist farmers with agricultural registrations, facilitating easier access to government subsidies, crop insurance schemes, and mechanization benefits. Additionally, discussions on animal husbandry and dairy-based livelihood opportunities encouraged farmers to diversify their income sources and improve household resilience.

Interactions between AGRANI Intern and Farmers during the meet

The initiative reflects the AGRANI Internship Programme's commitment to fostering grassroots leadership and community engagement. By enabling interns to design and implement impactful field interventions, IPL Foundation continues to strengthen rural livelihoods, promote sustainable agriculture, and empower farming communities through knowledge-driven development.

AMRIT Internship Programme Concludes with Closing Ceremony and Farmers' Meet, Sonapat

The AMRIT Internship Programme concluded successfully with a **Closing Ceremony and Farmers' Meet** held on 6 May 2026 at **SRM University Delhi-NCR, Sonapat**, under the ICRO AMRIT Internship initiative in collaboration with IPL Foundation. The event brought together student interns, faculty coordinators, university officials, IPL Foundation representatives, and farmers to celebrate the successful completion of the programme and discuss key learnings from field activities.

Amrit Internship Closing Ceremony Programme

The programme focused on practical learning and rural engagement, enabling interns to conduct field surveys, interact directly with farmers, and study challenges related to irrigation, digital literacy, sustainable farming, and accessibility of government schemes. During the concluding Farmers' Meet, farmers from nearby villages shared their concerns regarding rising input costs, crop insurance, market fluctuations, irrigation management, and sustainable agricultural practices. The interaction created a valuable platform for knowledge exchange between students, academicians, and farming communities.

Glimpse of the event

Dr. Rajeev Ranjan, Senior Advisor, IPL Foundation, delivered a keynote address on **“Policy and Practices for the Welfare of Farmers,”** highlighting the importance of Artificial Intelligence (AI), precision farming, digital agriculture, and skill development in transforming Indian agriculture. He also introduced the proposed AGRANI Internship Programme aimed at strengthening grassroots agricultural development.

Prof. V. Samuel Raj, Registrar emphasized the role of universities in promoting

sustainable agriculture and assured institutional support to farmers through soil testing facilities, technical guidance, and awareness programmes for climate-resilient and eco-friendly farming practices.

Certificate Distribution Ceremony & Farmers' Meet Held under AMRIT Internship Programme, IPL Sugar Unit, Jarwal Road

As a part of the AMRIT Internship Programme, a **Certificate Distribution Ceremony and Farmers' Meet** was organized on **30 May 2026** at the **Pradhan Mantri Kisan Samridhhi Kendra, IPL Sugar Unit, Jarwal Road, Bahraich**. The event marked the successful completion of the internship programme and celebrated the contributions of student interns who actively participated in village-level surveys, farmer interactions, awareness campaigns, and data collection activities.

Amrit Internship Certificate Distribution Ceremony at IPL Sugar Unit, Jarwal Road

The programme was attended by **Shri Kushal Pal Singh**, Assistant Sugarcane Commissioner, Devipatan Division; **Shri T. S. Rana**, Unit Head & General Manager, IPL Sugar Unit, Jarwal Road; and **Shri Sanjeev Chaudhary**, Cane Head, along with IPL officials, participating farmers, and interns.

Snippets of the Farmers Meet

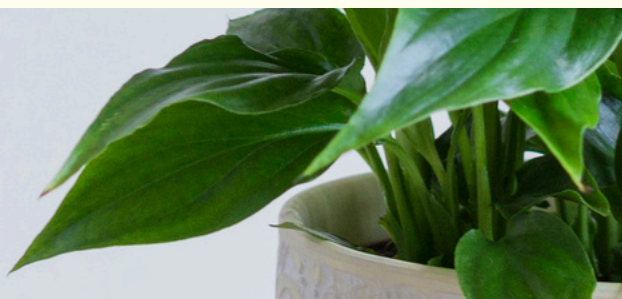

Certificates were awarded to all eligible interns in recognition of their successful completion of the programme and their commitment to various field-based activities. During the interaction session, the dignitaries emphasized the importance of youth participation in agricultural development and encouraged the interns to continue contributing towards community and rural development initiatives.

A Farmers' Meet was also conducted during the programme, focusing on important agricultural topics such as sugarcane development, balanced fertilizer application, soil health management, water conservation, and modern farming practices. Farmers actively participated in the discussions, shared their concerns, and received technical guidance from the experts present.

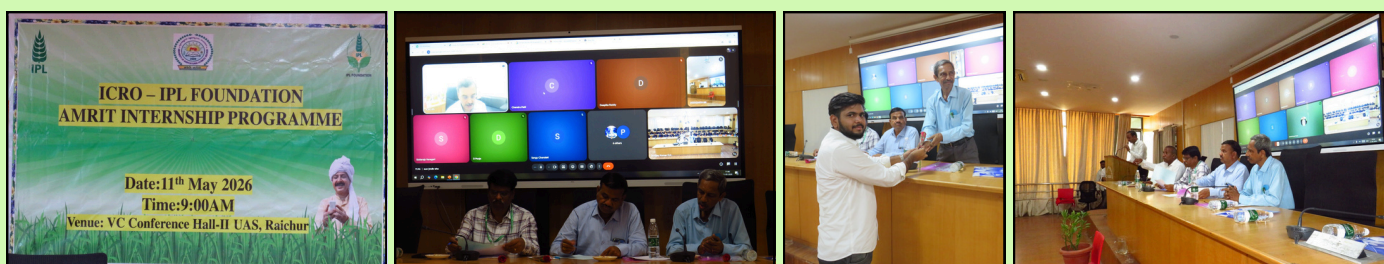

The programme successfully strengthened engagement between youth and the farming community, promoted awareness of sustainable agricultural practices, and reinforced the importance of collaborative efforts in advancing rural development.

AMRIT Internship Programme 2026 Inaugurated at UAS Raichur

The **AMRIT Internship Programme 2026 commenced successfully with an Orientation Programme** held on 11 May 2026 at University of Agricultural Sciences (UAS), Raichur. The programme marked the beginning of a transformative learning journey for students under the ICRO–IPL Foundation initiative aimed at fostering practical knowledge, leadership skills, and community engagement among agricultural youth.

Amrit Internship Orientation Programme at UAS, Raichur

The orientation witnessed the participation of university dignitaries, faculty members, IPL Foundation representatives, and student interns. The programme began with an invocation song, followed by a welcome address and an overview of the internship programme. The inauguration ceremony included the launch of the programme and the distribution of internship kits to the selected participants.

Snippets of the Programme

A total of 50 final-year students from the College of Agriculture and the College of Agricultural Engineering, UAS Raichur, were selected and registered for the internship. The Chief Guest, Dr. Rajeev Ranjan (Retd. IAS), addressed the students virtually and highlighted the objectives, procedures, and long-term benefits of the AMRIT Internship Programme. He encouraged students to utilize the opportunity to enhance their professional competencies and contribute meaningfully to rural development.

University officials, including the Deans and Director of Education, motivated students to actively participate in the programme and emphasized its role in their overall personality and career development. The event also reinforced the strong partnership between IPL Foundation and UAS Raichur in creating impactful learning opportunities for future agricultural professionals.

AMRIT Internship Programme Concludes with Certificate Distribution Ceremony and Farmers' Meeting at Khadda

The **AMRIT Internship Programme** culminated with a **Certificate Distribution Ceremony and Farmers' Meeting** organized on 9 June 2026 at IPL Sugar Unit, Khadda. The event marked the successful completion of the internship programme and celebrated the contributions of student interns towards rural outreach, farmer engagement, and community development initiatives.

Glimpse of the event

The programme was attended by senior officials of IPL Sugar Unit, including Mr. N. P. Singh, Unit Head & General Manager, and Mr. Sudhir Kumar, Cane Head, along with farmers, faculty representatives, and AMRIT interns. Certificates were awarded to the interns in recognition of their dedicated efforts in conducting field surveys, supporting awareness campaigns, interacting with farmers, and contributing to various rural development activities during the internship period.

Mr. N. P. Singh, Unit Head, Khadda, presenting certificates to the AMRIT interns.

Addressing the gathering, the dignitaries appreciated the enthusiasm and commitment displayed by the interns and emphasized the importance of youth participation in agriculture and rural transformation. They highlighted how such experiential learning opportunities help bridge the gap between academic knowledge and field realities while fostering leadership and social responsibility among young learners.

A Farmers' Meeting was also conducted during the programme, wherein participants were sensitized on improved sugarcane cultivation practices, balanced fertilizer application, soil health management, and modern agricultural techniques. The interactive session provided farmers with an opportunity to discuss field-level challenges and receive technical guidance from experts.

Field Engagement and Agricultural Outreach Across Maharashtra

To strengthen stakeholder engagement and assess agricultural market dynamics, **Mr. U.N. Singh, GMM**, and **Mr. Sayaji Patil, Chief Manager, IPL, Mumbai** undertook a field visit across Nashik, Dhule, Jalgaon, and Chhatrapati Sambhaji Nagar from 4–8 May 2026.

Glimpse of the interactions between Mr. U.N.Singh, GMM and agriculture stakeholders

During the tour, the team interacted with dealers to review fertilizer availability, POS sales, stock liquidation, and payment status. Discussions focused on ensuring the timely availability of fertilizers for the upcoming Kharif season and promoting responsible inventory management. Dealers highlighted the need for regular supplies of key fertilizers and assured their support in expanding product outreach.

A key highlight of the visit was the interaction with Sahyadri Farmer Producer Company (FPO) at Mohadi. The delegation met Mr. Vilas Shinde, CMD, and Mr. Mangesh Bhaskar, Director, who shared valuable insights into the operations of a successful FPO. The team also toured the grape grading and packing facility, tomato ketchup and mango pulp processing units, and storage infrastructure.

In Jalgaon, potential sites for establishing a company godown were reviewed, while discussions with leading agri-input dealers focused on market conditions, specialty fertilizer promotion, and Kharif preparedness. The delegation also visited Jain Tissue Culture Laboratory, where Dr. K.B. Patil, Vice President, provided an overview of advanced tissue culture technologies and seedling production systems.

The tour concluded with dealer interactions and sales reviews, reaffirming IPL's commitment to strengthening agricultural partnerships and supporting sustainable farming growth across Maharashtra.

IPL Dhenkanal Unit Honoured with Special Recognition at Prameya Pratibha Samman 2026

Indian Potash Limited, Dhenkanal Unit, received a **Special Award** at the prestigious **Prameya Pratibha Samman 2026**, organized by Odisha's leading media houses, News7 and Prameya, on 21 June 2026. The recognition was conferred for the Unit's outstanding contributions towards scientific agricultural development and its impactful Corporate Social Responsibility (CSR) initiatives benefiting communities in and around the Dhenkanal region.

The award was received by Mr. Vikash Kumar Chaudhary, General Manager & Unit Head, IPL Dhenkanal Unit, along with his team at a grand ceremony held at Kamlesh Continental, Angul. The event was graced by several distinguished dignitaries, including Sri Rudra Narayan Pani, Hon'ble Member of Parliament, Dhenkanal; Sri Ashok Mohanty, Chairman, DPC and MLA, Pallahara; Sri Brajakishore Pradhan, MLA, Talcher; Sri Agasti Behera, MLA, Chhendipada; and Sri Pratap Chandra Pradhan, MLA, Angul. The dignitaries commended organizations making meaningful contributions towards agricultural advancement and social development in Odisha.

Glimpse of the event

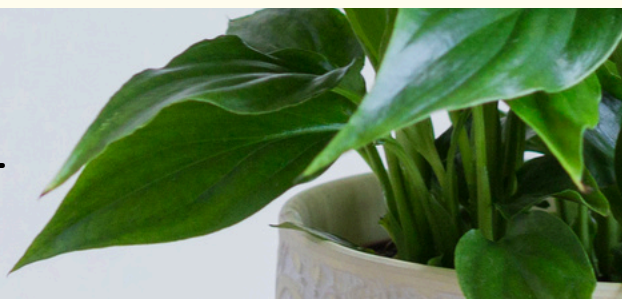

Over the years, IPL Dhenkanal Unit has played a pivotal role in strengthening the agricultural sector through the promotion of scientific farming practices, farmer training programmes, field demonstrations, and the dissemination of modern cultivation techniques. These initiatives have helped enhance farm productivity and improve rural livelihoods across the region.

Beyond agriculture, the Unit has undertaken a wide range of CSR activities focused on education, healthcare, sanitation, skill development, environmental sustainability, and community welfare. These interventions have positively impacted the lives of local communities and contributed to inclusive socio-economic development.

This recognition stands as a testament to IPL Dhenkanal Unit's continued commitment to agricultural excellence, social responsibility, and sustainable growth, reinforcing its role as a trusted partner in Odisha's development journey.

Amrit Internship Orientation & Training Programme Launched at IPL Sugar Unit, Siswa Bazar

To strengthen youth engagement in agriculture and rural development, IPL Foundation launched the **Amrit Internship Programme** at IPL Sugar Unit, Siswa Bazar, Uttar Pradesh, with an **Orientation and Training Programme** held on 18 June 2026 at Silver Phoenix Banquet Hall. The initiative is being implemented by RISE Foundation, along with IPL Sugar Unit, Siswa Bazar, and aims to equip rural youth with practical agricultural knowledge, field exposure, and community engagement skills.

Glimpse of the Amrit Internship Orientation Programme

The programme was inaugurated in the presence of distinguished dignitaries including Shri Sanjay Rao, Chairman, Siswa Sugar Mill Cooperative Committee; Dr. Subhash Singh, Joint Director, Sugarcane Research Institute, Seorahi; Shri Satendra Kumar, Scientist, Sugarcane Research Institute, Seorahi; Shri Dhiraj Singh, Cane Head, IPL Sugar Unit, Siswa Bazar; Shri Jitendra Bahadur Singh, Progressive Farmer; and Shri Abhay Tripathi, Secretary, RISE Foundation.

A total of 60 rural youth from villages surrounding the sugar mill command area have been selected for the three-month internship programme. During this period, interns will work closely with farmers and receive hands-on training in key areas such as Soil Health Management, Crop and Nutrient Management, Organic and Sustainable Farming Practices, Water Conservation, Climate-Resilient Agriculture, Modern Agricultural Technologies, and Government Agricultural Schemes. Each intern will receive a monthly stipend along with training materials and continuous field guidance.

Amrit Interns during the Orientation Programme

The programme is expected to create a group of trained rural youth who will serve as resource persons for agricultural developments in their communities, promoting scientific farming practices, strengthening farmer outreach, and contributing to sustainable agricultural development and rural prosperity.

Employees' Corner: Success Story

We are proud to share that Ms. Gauri Gaur, daughter of Mr. Tarun Kumar Gaur, Manager (Accounts) at Indian Potash Limited Sugar Unit Rohana Kalan, has secured an outstanding 92% marks in the Class 12 examinations from S.D. Public School, Muzaffarnagar (U.P.). Her remarkable achievement is a reflection of her dedication, perseverance, and hard work. This proud milestone not only brings joy to her family but also adds glory to the entire IPL fraternity. We congratulate Gauri on her excellent performance and wish her continued success in all her future endeavors.
